

NewsFlash

An electronic newsletter for SERS Retirement Coordinators

We will send this NewsFlash out to different agency Retirement Coordinators over the next several weeks to slowly introduce the active member website and spread out the registration process. Please share this information with your staff.

New Member Website

We are pleased to announce that beginning in April 2015, several new useful features are being added to our Member Website. They include your ability to:

- Access your SERS data in a safe and secure environment
- Review your membership information
 - Service Credits
 - Wage Credits
 - Contributions
 - Beneficiaries
- Check your benefits data (updated in real-time)
 - Projected retirement benefits and dates
- Manage your account online
 - Update your contact information
