Online Workshop Registration

We have been getting quite a few phone calls from members wanting to register for 2014 workshops. If you have the ability using your office email, please forward this NewsFlash to your employees.

Beginning **October 1, 2013** members will register for SERS workshops online instead of initially going through you, their Retirement Coordinator. However, the RC still has final workshop approval. To ensure that this process runs smoothly, registration will be completed using our website (www.srs.illinois.gov) and following step-by-step instructions. Retirement Coordinator training and additional information about online registration will be introduced as we get closer to the launch date!

The August SERS-O-GRAM contains information about the online workshop registration process as well as the 2014 workshop schedule. This newsletter *was* mailed to active members **August 27-28** along with the annual Benefit Statement. For questions about this new process, email Amy at amy.little@srs.illinois.gov
