*An electronic newsletter for SERS Retirement Coordinators*

## **Online Disability Application**

Starting today, October 1, SERS members can fill out a Disability Application online, print it off and mail it to us. This new feature is located in the 'SERS Links' on the left side of our website under 'Benefit Packets'. Within this link, you can select one of our three Disability Applications, the Retirement Application or review the Member Handbook. Click on the link below to view this information. Members can still receive a Disability Packet by contacting our office.

## **Returned Benefit Statements**

We had many unopened Benefit Statements returned to our office because of inaccurate mailing addresses. We are going to return these statements to you and ask that you distribute them to your employees. Please encourage them to fill out a new W-4 tax form with your agency's Payroll Officer. This will allow the Comptroller's office and SERS to maintain an up-to-date mailing list.
