An electronic newsletter for SERS Retirement Coordinators

CDRs for 2008 Retirees

The Countdown to Retirement workshop continues to be hugely popular in Springfield! This is the fourth year in a row that all of the CDR workshops in Springfield are booked solid. Because of this demand, we've added another Springfield CDR on July 9. We've also added a CDR in Fairview Heights on May 29th. *However*, these two CDRs are recommended for members who will be retiring during 2008 ONLY. Please add these dates to your calendar. If the demand continues unabated, we will add more CDRs in the near-future, even though the schedule on our website may show all CDRs are full.

IYF Alert

The April 15 IYF is full, but the three IYFs after that have low attendance: April 22 in Orland Park, June 3 in Chicago, and June 24 in Mt. Vernon. Please help us market these workshops to increase attendance or we may have to cancel them.
