*An electronic newsletter for SERS Retirement Coordinators*

## **RC Information**

Workshop participants will no longer receive workshop information from us on bright green paper. Workshop information will now be printed on tan paper with brown ink.

## **Felony Convictions**

The state statutes governing SERS state that, "none of the benefits herein shall be payable to any person who is convicted of a felony related to or arising out of a connection with his/her service as an employee." Therefore, Retirement Coordinators should notify Brenda Fleigle, Pension & Death Section supervisor, at 217-785-7321 when an employee resigns or is terminated for a criminal act that was connected with his/her employment.
